2026/27 FUNDRAISING DINNER
HOST INSTRUCTIONS

How can you help Invisible Angels?

Invite several friends over who have a heart for giving and host an Invisible Angels fundraising dinner for a powerful night of purpose and connection. You choose the guest list, open your home, and Invisible Angels will provide a beautifully prepared meal that sets the tone for meaningful conversation and impact. It's an intimate, mission driven way to support human trafficking survivors rescue and recovery while sharing a memorable experience with people who care about making a difference.

During the evening you'll watch our fundraising dinner video where you'll learn about our mission, the impact we've made in the fight against human trafficking and meet the safe house directors who we partner with. You'll also hear firsthand from a survivor we've rescued, gaining insight into how invaluable Invisible Angels was to her journey.

After watching our fundraising video, you'll get a deeper feel for how we serve as a vital link in the human trafficking rescue chain. This will be an evening of connection, inspiration, and hope as you learn about our vision for 2027, expanding our scope to offer educational scholarships to trafficking survivors, and how you can play a pivotal role in that future.
